Subject: Sharing of Final SOP for Implementation of NEP 2020 in Gujarat State

Dear sir/ma'am,

Government of Gujarat has been always keen and forward to contribute towards the implementation of each initiative of Hon'ble Prime Minister, Shri Narendra Modi to make India as Atmanirbhar Bharat (self-reliance & self-sufficient).

One such initiative was the National Education Policy 2020 laid down by the Cabinet. Gujarat Government has shown positive supporting response in the implementation of the policy and is aiming to bring the transformational changes in the education sector of Gujarat.

Department of Education (Higher & Technical), Government of Gujarat has already finalized and issued the GR of Credit and Curriculum Framework for Undergraduate Programmes in alignment with UGC norms to implement NEP-2020 at all Higher Education Institutions (HEIs) in the State of Gujarat.

As a step forward, Education Department of Gujarat is releasing a handbook of **Standard Operating Procedure (SOP) for all HEIs of Gujarat state for effective implementation of NEP 2020** approved by the Hon'ble Education Minister of Gujarat State. The SOP, in both English and Gujarati languages is also attached herewith to implement NEP 2020 effectively.

I request you to kindly disseminate the information at your college within all the students and stakeholders. Also, assure that the implementation is as per the SOP. Kindly initiate the process of implementation at the earliest and contribute towards a new dimension of education sector.

Thanking You.
