C. U. SHAH COLLEGE OF
MASTER OF COMPUTER APPLICATION
C. U. SHAH UNIVERSITY
MANAGED BY: WARDHMAN BHARTI TRUST

About Institute:

C. U. Shah College of Master of Computer Application (CCMCA), Wadhwan City, established in 1999, approved by AICTE, Govt of Gujarat and constituent college of C. U. Shah University, situated on scenic banks of the river Bhogavo at a distance of about 6 km from Surendranagar, is one of the most prestigious colleges run by the Wardhman Bharti Trust.

This College has been harvesting invaluable advantages of its location. Surendranagar, Wadhwan, and Joravarnagar, the economically, socially and educationally developed cities, are located adjacent to each other. There are two industrial estates, GIDC Wadhwan and Udyognagar industrial estate. This belt has over 1000 industries from various sectors. This Institute has been playing a key role as a wonderful resource for trained technical manpower to the country.

This institute accredited by NAAC at "B" grade level with CGPA of 2.64 on a 4-point scale in May, 2014.

About C. U. Shah University:

C. U. Shah University was established on 22nd April, 2013. It is promoted by Wardhman Bharti Trust - a Trust established in 1968, which is one of the best educational organizations in the Saurashtra region of Gujarat. It is a self-financed, non-affiliating State Private University established under Gujarat Private Universities (Amendment) Act, 18 of 2013. University is spreaded over 45 acre campus is located in Wadhwan, which is the district head quarter of Surendranagar. The city is famous for its remarkable cultural development and social life. University offers more than 67 courses ranging from Engineering & Technology, Computer Science, Arts & Humanities, Commerce, Sciences, Law, Pharmaceutical Sciences, Education and Management along with maximum exposure and opportunities to its students through various national and international seminars. Under 67 heads and disciplines in professional fields the C. U. Shah University offers globally recognized and UGC/AICTE/PCI/NCTE/BCI/MHRD approved International Courses meeting the tomorrow's industry demands. The C. U. Shah University aims for a clear understanding of small scale industry to medium scale industry to upper medium / large scale entrepreneurship. The University is a member of American Society for Quality (ASQ) Education. The University is Government recognized electrical energy audit centre.

About Wardhman Bharti Trust:

Wardhman Bharti Trust (WBT) established in 1969, as a registered charitable trust has been constantly motivated for the prosperity of rural society through the education. Dedicated industrialist, educationalist and enlightened citizen from Wadhwan City form the core of Management. WBT always stands for national character building and gives full attention to tradition, culture and ideals with full awareness of modern scientific and technical development of this century and our march to the 21st century.

The Trust is fully devoted to the noble cause of spreading education in the region. The Trust's objective is to impart quality education from undergraduate-to-post-graduate levels in Engineering & Technology, Computer Science, Arts & Humanities, Sciences, Commerce, Pharmacy, Law, Medicine, Management, etc.

About NAAC:

The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC), Bangalore is an autonomous body established by the University Grants Commission (UGC) of India to assess and accredit institutions of higher education in the country. To address the issues of quality, the National Policy on Education (1986) and the Plan of Action (POA-1992) advocated the establishment of an independent national accreditation body. Consequently, the NAAC was established in 1994 with its headquarters at Bangalore.

About the Conference:

As modern technical education restructuring endures to transform public education, a prospect to simultaneously join forces across a variety of theoretical perspectives seems appropriate. The possible precarious examinations of their inter-sections. Association, analysis, and reproduction are at the heart of such a process of curriculum theorizing, classroom practice and provide productive ground for an exploration of both theoretical and practical implications.
