

C U SHAH UNIVERSITY

Faculty of Management Studies

Date: 18/03/2016

Visit of Final Year BBA / B.Com Students

To know more about MBA program and C U Shah University; final year BBA / B.Com students of various colleges paid visit to Faculty of Management Studies on 15th March 2016. 45 students were present along with Mr. Arpit Gandhi of Megha Classes.

Students started their journey of C U Shah University with visit to central library. They have shown keen interest in knowledge resources available in the library. They were quite impressed with the facility available in the library. They have also visited Computer Lab. They have all praise for the state of art facilities available in the Lab.

After spending half an hour in library and computer lab, they moved to Faculty of Management Studies building. They were welcomed by Dr. A N Sanghvi. Dr. Sanghvi briefed them about the C U Shah University and its vision and mission.

Dr. Tejash Pujara, Dean, Faculty of Management Studies explained importance of management education and facility available at FMS. Dr. Pujara assured students that they will get best learning experience at FMS. Before that Dr. Pujara introduced his faculty colleagues to students. Students have shown interest in management program and asked various questions. Most of them are considering carrier in management program. Dr. Pujara ended his interaction by wishing them a great future ahead.

Mr. Arpit Gandhi who was instrumental in motivating students to pay visit to FMS was felicitated by Dr. Tejash Pujara by presenting him a memento.

In the end Prof. Deepak Sanghvi offered formal vote of thanks with special thanks to Prof. Dhvish Shah for taking pain to organize this visit. Students were then taken to university canteen for refreshments.

FMS would like to put on record, its gratitude towards BoM and Provost (Dr. Ved Vyas Dwivedi) of C U Shah University for their kind approval and support. FMS would also like to thank Mr. Bablani and his team of C U Shah Medical College for providing transportation facility.
