PLACEMENT REPORTS

C. U. Shah College of Master of Computer Application, a self-financed institute, established in October 1999.

First batch of 20 students passed out from this college in the year Nov. 2002. These students were placed appropriately in their chosen fields. It was then felt essential to establish a separate cell to cater to the need of fresh post graduates, apart from strengthening, the interaction between college and industries. Training and placement cell came into existence. The cell is well equipped, headed by a senior faculty member and a computer operator having computer with Internet facilities and external telephone for direct approach to outside place.

The cell started functioning in full swing from February 2003 Major task of the cell is to establish good report with industries in and around Gujarat State for the benefit of fresh graduates. The activities of the cell include.

- a) Collecting information about industries (including list of industries) from sources like different industrial associations, different G.I.D.C.'S: Industry department of Govt. of Gujarat etc.
- b) Keeping Constant touch with industries by way of correspondence and telephonic conversation.
- c) Inviting experts from industries to deliver talk on subject related to college as well industries. This will help students to know about the utilization of latest technology in industries.
- d) Organizing paper presentation, technical exhibition at national level and inviting students and faculty members from other college and technical experts from industries. This will help students in exchanging their views on technical subjects with their colleagues in other colleges. This gives exposure to our students in expressing their ideas to technical experts.
- e) Arranging study tours of students to industries. This will help students to know the functioning of industries and industrial.
- f) Inviting industries to visit our college for conducting interview for placement of software engineers of their requirement.
